

Luigi's Butcher Block Menu

4.3.2020

Luigi's has become well-known for the quality of our proteins: Fish, beef, pork, and chicken. Most of the beef items are not available to the public (Our ageing spec is not available to grocery stores). In this very trying a difficult time (Coronavirus), we thought we would make some of these premium products available to you should you want to duplicate Luigi's at home.

All items are vacuum sealed. Open the package, season, and cook utilizing whatever method you choose.

*****PLEASE NOTE***** Due to volatility of current market pricing, prices are subject to change. Please see this menu at <https://www.luigisnc.com/pdfs/LuigiButcherBlockMenu.pdf> for the most updated pricing.
